Dear Sir,

Sub:- Clarification about the metric ID: 5.4.2

In response to the subject above referred, the following is for your kind consideration. Our college collects Rs 25/ per student as an Alumni Association fees which is a part of total fees. The annual audited statement of alumni fee is attached here. As the students complete their course it become the contribution from the alumni of the institution. Till this time college did not directly receive any contribution from the alumni as we are under the process of registration of College Alumni Association.

Thanking You,

Yours faithfully,

Trishla
