# Mission

---

SPDT College inspires, prepares and empowers students to succeed in a changing world.

- ✓ We inspire student to learn and to develop as whole people: intellectually, physically and emotionally
- ✓ We inspire student to continue learning throughout life
- ✓ We prepare and empower student to be successful by helping them develop the knowledge, skills and abilities.

# Vision

---

To be a national leader in transforming lives through an innovative, rigorous and compassionate approach to education.

- ✓ We continually strive to strengthen and empower the positive impact we have on our student and community: transforming their as well as our own, through our work
- ✓ We will become known nationally as an institution that “makes a difference”
- ✓ We continually strive to innovative – finding new and more effective ways to educate and serve students
- ✓ We approach our work with compassion – acknowledging the whole person, working with integrity and caring accepting people where they are and moving them forward without sacrificing or expectations: bringing joy, honesty, and understanding to our work.

# Objective & Goals

---

To promote Higher Education and professional achievement amongst every strata of the society particular underprivileged.

To enable students to develop as a confident citizen through participating various extracurricular activities and personally development progress.

To Promote good culture and value based thoughts in our students.

## MESSAGE FROM THE PRESIDENT

It gives me immense pleasure in jotting down this message and thereby sharing with you my hopes and aspirations for a vibrant BHARAT. In the coming years, India is going to be a leading country in the world. The economy of India is growing at more than 10% per annum.

We have already started "SARVA SIKSHA ABHIYAAN "in which primary education will be given free to all by Government. However, in higher education, Government wants more participation of private players as we have to increase the Gross Entry Ratio (GER) from 12% to 30%. Government wants 1500 new universities to be established and 20000 more colleges to be opened within the span of ten years. Foreign universities are going to be permitted to operate in India very shortly. The Government has set standards for appointment of the teaching community. The post of Associate Professor, Asst. Professor, Professor and Principal calls for a minimum qualification of PHD in the respective discipline . Their market value will increase commensurate with their experience. Thus, there lies a great demand for Scholars in all fields. India needs some 30000 PHD holders each year. JJT University, in its serene atmosphere, would prove a mental tonic for the young researcher.

Our University is trying its best to give facilities to research scholar to carry out their research work in the most scientific way and is also aiming for quality research work, by keeping the output norms on stringent scrutiny. To improve the quality of Research, proper guidance, able assistance and adequate encouragement is assured to all PhD Research Scholars. Now, it is time to make India strong and I invite all academicians to support Higher education by encouraging research in big way. It is required for us to look life through the wind-shield and not through the rear-view mirror; hence it is for the incumbent to happily fly with his two wings – determination and hard work. Let Perseverance be your engine, Hope the fuel, so that your happy personal train smoothly glides through life's tracks towards the destination of unlimited ecstasy.

***Shri. Vinod Tibrewala***

president's message

## FROM PRINCIPAL'S DESK

"Education is what remains after one has forgotten what one has learned in school. The function of education is to teach one to think intensively and to think critically intelligence plus character-that is the goal of "True Education".

-Brainy Quote.  
(Educationist).

I take great pleasure in presenting the 30th annual report of SPDT College documenting its development and the achievement for the year 2016-17. This year is marked with many events and success stories. This can be attributed to the dedication and team spirit of the staff, student and members of the management.

We are happy to announce our institution eligible to provide higher education to more than 2000 students in various graduate & post graduate courses through University of Mumbai.

Once again to add some more values in students academic carrier we have started more under graduate post graduate courses and Management Courses like B.COM, B.A and many carrier oriented Add-on courses.

To inculcate social values in our students our N.S.S. Unit conducted many activities like Tree Plantation(05/05/16), Swatch Bharat Abhiyaan (13/08/16), Blood donation(21/09/16) etc. N.S.S. Special camp was organized at Vanprasth Ashram Bhyander from 18/12/16 to 24/12/16. The strength of N.S.S. Unit of our college is also appreciable as they actively participated in different university level programs like peace rally at Azad Maidan, Aids awareness Week, Environment Awareness Programs etc.

They are also aware of their Surrounding and conducted different area based activities like helping police force during Ganpati immersion, AIDS awareness and students are so sensible that they are bonded a good relationship with senior citizens and orphan children of our society.

Our NCC is very active unit that aims to spread the spirit of Nationalism, unity and brotherhood .Many cadets have been enrolled to show their courage, we are proud that one of our NCC girl cadet Miss Sarita Maurya has successfully completed Nagaland training camp.

With full enthusiasm we have started our department of life-long learning and extension cell under which different types of community services were undertaken which help the students to understand the real issues of the society and how to cope up with the worse-situation in the life.

This year we have completed the project title "Status of Women in Society" in which each student determined 50 women from different state of society and find out their present social and economic status not only in their family but also in entire society.

Student council organized "Raas Dandiya " on 28th October 2016. Our large number of students also participated in various sports events at university level such as Football, Boxing, Chess and cricket. Our college had also organized indoor games and annual sports day on 17th January 2017

## FROM PRINCIPAL'S DESK

Matoshri, Municipal Ground, Jogeshwari (E), Our student Miss. Aditi Chandorkar has selected for the National level competition in Malkhab organised by University of Mumbai. She has also won 1<sup>st</sup> prize in 17<sup>th</sup> Parle Mahotsav organised by Vile Parle Cultural Centre.

Our Professors have attended many workshops throughout the year. Dr. Nanda Indulkar has attended UGC sponsored refresher course. It's matter of pride for all of us that our Professor Dr Sandeep Poddar is awarded distinguished " Assistant Professor" at Technext India -2017- organized by computer society of India — Mumbai, IIT Bombay on 15th Jan 2017.

Other than education, our college promotes different extra-curricular activities to encourage our students to showcase their talent. Our efforts are always in their direction to find out hidden talents among the students by organizing different cultural programs like Mehendi, Rangoli, Vegetable carvings etc.

Cultural Committee has organized " Rudra " on 24th and 25th Jan 2017. Every Year Rudra comes with new energy, enthusiasm and provide a platform to young generation to "Fight for Fame".

I thank the almighty for all his blessings to our institution and I am grateful and highly obliged towards our Management for their constant support in all their initiatives, achievements and success. Last but not the least; I would like to thank all my teaching & administrative staff members for their support and efforts for achieving our goals.

*-Dr. Trishla Mehta*

## FROM VICE PRINCIPAL'S DESK

Dear students,

All of you are beautiful flowers of our SPDT campus spreading fragrance in the entire society. We teachers are gardeners who are ever ready to take your case. You will build the future of our society. All of us together shall strive hard to make the future society strong, stable and trustworthy.

Our campus provides all round opportunities to brighten your academic as well as non-academic personality. Your active participation and hardwork shall materialise our dream of a powerful nation. Hardwork and dedication always guarantee the success.

Finally I wish that "our joint dedication and efforts shall bring golden shine to SPDT campus".

## EDITORIAL

**Leonardo Da Vinci**, the great Italian artist and scientist once remarked **“Iron rusts from disuse, stagnant water loses its purity and in the cold weather water becomes frozen; even so does inaction sap the vigour of the mind”**. This is an age of achievement, provided one perseveres in whatever he or she tries.

Great men were not great when they were born nor when they started their career, but made themselves great by grit & determination.

In the current challenging times it is essential that students should not only excel in academic but also develop courtesy, discipline, social sensitivity and be imbued with the traditional values and culture of our country. We teach our students to aim for great goals, to reach out for these dreams and transform these into reality.

Our college magazine, **TIBREWALITE** is a milestone that marks our growth, unfolds our imaginations and gives life to our thoughts and aspirations. The purpose of college magazine is to inform, engage, inspire and entertain a diverse readership- by presenting an intimate, timely and honest portrait of the college.

I fervently thank the Management, the Principal, Vice Principal, my colleagues, student editor, administrative staff for their support throughout. My sincere thanks to publisher, Mr. Omprakash Todi ji for bringing out this issue.

last 6 days of camp. Prof. Ketan Rawal gave us some information about importance of camp.

### 24-12-2016

We had our yoga session and jogging, and interacted with senior citizens & did our Field work. As it was our last day of our camp we had a small celebration, everyone got emotional at that time but also enjoyed it. On 24<sup>th</sup> December 2016 as it was our last day of our camp we thanked the people over there and then left the camp site to go back to home. We slashed at 4 pm from the camp site and reached Andheri at 6 pm. We dispersed to our homes.

**Conclusion Of Our Survey :-** The problems

people were facing were numerous, however it was electricity, water supply and transportation which topped the list. The studies of their children hampered, due to this scenario the school not being too approachable prompted lots of students to quit school.

The reason behind students inability to gain education, were no electricity, poor transportation and financial crises. A number of students had left school after passing 6<sup>th</sup> - 10<sup>th</sup> Grades. The school is quiet far at a distance of around 3-4 kilometers and the students have to cover this distance by walking. Rikshaw are available but at a cost of Rs150. The monthly income of these people is generally between the range of 1000-5000 Rs. Thus education of children could not be affordable for these people. Unemployment further ruined the situation. But the matter of appreciation was the dominance of girls in academic achievement.

## COLLEGE FOUNDATION DAY

The foundation of S.P.D.T Lions Juhu college of Art,Commerce & Science was established on 21st July 1986. On 21st July 2016, college celebrates its 30th foundation day. For that purpose, all teaching, non-teaching staff and students were gathered at one place i.e Room No.201. The function was inaugurated by our Principal Dr. Trishla Mehta who lighted the lamp which followed by 'Ganesh Vandana' & 'Saraswati Vandana'.

Principal shared the collage vision and mission with all and also talked on the various initiative taken by the college. After that Vice Principal of our college Prof. Rajesh Shah advised students to do maximum participation in various extra curriculam activities offered by the collage, which shall help them in sharpening their behavioural personality. He ended up the function by his vote of thanks & saying that today the Giant tree has grown from that small seed sown on 21st July 1986.

## ANNUAL DAY CELEBRATION

The Annual day of our College for the academic year 2016-17, celebrated with the theme "Essence Of India" along with Prize Distribution Ceremony.

India is a land of diversity. The culture of India refers collectively to the thousands of distinct and unique cultures of all religions and communities present in India. India's languages, religions, dance, music, architecture, food, and customs differs from place to place within the country. The Indian culture, often labeled as an amalgamation of several cultures, spans across the Indian subcontinent and has been influenced by a history that is several millennium old. Our students with different cultural activities represent this diversity in an unique manner.

The chief guest was our college President Dr Vinod Tibrewala. His presence always inspires us but on this auspicious Annual Day through his speech, he deliberated more inspirational words towards our students, teaching and non- teaching staff. Our Principal encouraged the children to learn and participate in other extracurricular activities. Principal Dr. Trishla Mehta presented the annual report success and achievements of the college. Students were awarded certificates and trophies for their academic excellence along with a blessing of all teacher's and management.

## FACULTY ARTICLES

Counseling is a collaborative effort between the counselor and client. Counseling aims to help to deal with and overcome issues that are causing emotional pain or giving discomfort .It can provide a safe and regular space to talk and explore difficult feelings. The counselor is there to support the client and respect his views.

Counseling is a type of talking therapy that allows a person to talk about their problems and feelings in a confidential and dependable environment. A counselor is trained to listen with empathy .They can help to deal with negative thoughts and feeling.

Counselors help clients identify goals and potential solutions to problems which cause emotional turmoil; seek to improve communication and promote behavior change and optimal mental health. The basic purpose of counseling is to help people use their existing problem-solving skills more effectively or to develop new or better coping skills. Counselor's job is to provide an opportunity for the person to describe their feelings and problems for themselves and then to reach decisions and actions that are based on informed choices. Good counseling helps people build skills they can use in solving their problems. For example, if people learn good communications skills in dealing with their friends, they can also use those communication skills with teachers, or co-workers.

Counseling is a process that usually has a beginning, middle, and end. This process can take place over just a few sessions or over a longer period. Effective counseling does not necessarily take a long time. In fact, many times, clients feel they have received the help they need in just three or four meetings. Sometimes one meeting is all someone needs. The chance to explain a problem may make it clearer or talking it out may relieve anxiety and other problem feelings. Workplaces now offer access to a counseling service, universities, schools and colleges provide an in-house counseling service for their students;

Counseling can help in to cope with bereavement or relationship breakdown, cope with redundancy or work-related stress, explore issues such as sexual identity, issues preventing you achieving ambitions, feelings of depression or sadness, examination and interview stress.

Counseling can take place face to face, individually or in a group, over the phone, by email, using a specialized computer program.

## AWARENESS OF ECO-FRIENDLY PRODUCT IN INDIA

Sustainability has become a global buzz word and eco-friendly product is a concept which has been gaining ground in the last decade or so. The term eco-friendly is used to describe the activities which are good for environment. Marketing aims to attract attention of consumers and tries hard to capture the attention of largest possible targeted audience. According to the American marketing association, green marketing is the marketing of the products that are presumed to be environmentally safe. Green marketing incorporates a broad range of activities, including product modification, change in processing method, packaging changes as well as modifying the advertising. Consumers of today are influenced by terms like global warming, eco-friendly products, climate change, hybrid, alternate power resources and marketers try to catch their attention by highlighting attributes of products in sync with the so called "green" belief. There are different process of leading companies regarding the concept of "green". But the common people do not have awareness of eco-friendly products. Marketing is used to identify the customers, satisfy the customers and at presents keep the customers with the concept of green or eco-friendly. It is to be observed that going green has become fashionable and a business mantra, these days. Marketers need to understand the implications of green marketing. It is important for our survival. Green signifies going back to nature once again and re-cycling whatever possibly can be re-used. Resources are scarce and "green" is the only solution for sustainable development.

## THE PLACE OF ENGLISH IN INDIA TODAY

English language came to India with the English people who came as traders but stayed to rule the country. The foundation of the study of English language in India was laid by the English Education Act of 1935, which followed the famous Minute by Lord Macaulay in the same year. The Act provided that all funds earmarked for education would henceforth be utilized for imparting to Indians a knowledge of English literature and science through the medium of the English language. In British India, English was the language of administration a compulsory subject at school and college, and a medium of instruction for some subjects at the school and for all subjects at the university level. A knowledge of English was a must to climb the social ladder.

After Independence, there was rethinking on the place of English. The Constitution of India adopted in 1950 gave a lease of 15 years to English as the official language of the country. The parliament passed in 1963 a Bill declaring English as the Associate official language of India.

English is the mother tongue of 300 million people in the world. The countries where English is the native or first language are the United Kingdom. The United States of America, Canada, Australia, New Zealand and South Africa. Some other countries like India, Pakistan, Africa, France, the Soviet Union etc. use English as a second or foreign language and the number of these people is nearly 400 million. English is the language of international politics, trade, commerce and industry. One out of 10 persons in the world knows English. 75% of the world's mail, 50% of the world's newspapers, over 60% of the world's radio stations and more than 50% of the world's scientific and technical periodicals use English as medium of expression. English is one of the six official languages of the U.N.O. It is also the link language of the Commonwealth countries. As an international language, English has created better understanding among the nations of the world and has been responsible for cultural give and take. It has facilitated mobility of teachers and students from one country to another. It has opened worldwide chances for employment.

## Nature Trek at BNHS – CEC Flim city, Goregaon on 6th August 2016

Our college had organized a short Nature trek on 6<sup>th</sup> August 2016 at BNHS which is located at Film City, Goregaon. We were scheduled to assemble at college premises by 6.30 am. All the students were enthusiastic and we started our journey at around 7 am. We were accompanied by the students of Self finance department and professors. The students studying in the first year second year ,third year of BMS, BBI, BFM and BA were supervised by our faculty members Prof.

Nanda Indulkar, Prof. Neha Dave, Prof. Prasad Supekar . We reached Flimcity gate at around 8.30 am and we then we began our nature trek.

We had to walk through the jungle to reach the BNHS premises, hence we divided the students into 3 groups and each group was supervised by one Professor. During the course of our walk while reaching BNHS we saw interesting species of trees and various plantations which we are unable to see during

our everyday life in the city. This created a sense of curiosity amongst the students and they

wanted to know more about such flora and fauna. After a pleasant walk through the forest we reached the BNHS premises at around 9 am. At BNHS we were warmly greeted by Mr Dilip and Mr Omkar who guided us to the main building, we were looking forward to spend an adventurous day at the centre

The guide gave an elaborate introduction explaining of the history of BNHS. BNHS –The Bombay Natural History Society, founded on 15 September 1883, is one of the largest non-

governmental organizations in India engaged in conservation and biodiversity research It supports many research efforts through grants and publishes the Journal of the Bombay Natural History Society. The society is commonly

known by its initials, BNHS. BNHS is the partner of Bird Life International in India. It has been designated as a 'Scientific and Industrial

The Conservation Education Center (CEC) is an education and awareness wing of BNHS. It is situated on 33 acres forest land of BNHS nature reserve which lies between Sanjay Gandhi National park and Film City. The CEC has developed 161 types of educational material and it has around 500 books based on education and natural history. The Hornbill is the official logo of BNHS since 2004. There are

various programs arranged by CEC for students as well as corporates. The CEC conducts camps, nature treks and various other activities to bring

citizens and nature closer helping to create an unbreakable bond between the two.

After the induction the manager form a two group and with the group was accompanied by the professor. During the course of our trek we saw a variety of flora and fauna and we also saw various new types of insects and birds indigenous to the area. Students were very inquisitive and curious to learn about all of these species. The climate was very pleasant with drizzles of rains after we witnessed the magic of

nature and saw water turn into pearl drops on the leaves which left all of us mesmerized. The forest looked exquisite, drenched in the rain and there was greenery all around which we seldom see in the city. We enter into the jungle manager gave us the explanation of different types of plants, herbs ,bamboos ,mushrooms, butterfly and we heard the mesmerizing voice of birds which was really awesome and we have seen a waterfall and from the fall we went inside to jungle even with this we have also heard the wild animals voice we all got fear but the guide said don't get frighten you just enjoy the moments as they won't be coming now. And with this we

## GEOGRAPHY FIELD VISIT

Fieldwork is a fundamental element in the tradition of Geographical research and teaching. The aims of this field trip are to introduce students to research and data analytical skills for developing an understanding of landscape and land-use patterns. The fieldtrips aim to provide students with skills that allow them to collect data using appropriate techniques, in a safe manner, while thinking about the sensitivity to the impact of their investigations on the environment and stakeholders. Students gain experience of team work, and develop their own powers of observation, analysis, imagination and decision making. The geography department of S.P.D.T college also organized Field Visit to Karjat and Lonavala for Fy, Sy, and Ty students of this year. Students survey the physical and socio economic features of the study area. They investigate the occupational structure and infrastructural facilities of the area. They enjoyed the trip as they are very close to nature. After coming back they made report as a part of their syllabus.

**MAMA'S STRENGTH**

Mama's strength was great and I didn't understand why,

She was even strong when she had to cry.

Her strength gave her great joy and hope,  
And through all her situations she could cope.

Pain and illness could not take her,  
Here strength would get her through,

But the source of here strength,  
I had not a due.

Although crying inside her strength put a smile on her face,  
And through the most treacherous storm should walk with confidence and grace.

Mama's strength could move mountains and both big and small,  
With the strength mama had,

She could do it all.  
Her strength surpassed that of all the man I knew,

So I finally asked mama "how" the all that strength come to you?"  
She said "GOD blessed me with it and He blessed you with it too,

Just rely on His strength and there's nothing you can't to do.

I asked for strength and  
 God gave me difficulties to make me strong.  
 I asked for wisdom and  
 God gave me problems to solve.  
 I asked for prosperity and  
 God gave me brawn and brain.  
 I asked for courage and  
 God gave me dangers to overcome.  
 I asked for love and  
 God gave me troubled people to help.  
 I asked for favours and  
 God gave me opportunities.  
 I received nothing I wanted.  
 I received everything I needed.  
 My prayer has been answered.

### POWER OF POSITIVE THINKING

"Your thought is the architects of your destiny". It is correctly said by David McKay because what you think, you do. Thoughts are like form of energy. You cannot touch, smell, hear or see it but still its effects are evident. Thoughts drive out like so it's very important to have a positive mental attitude. I am not the first one to say this and I bet I won't be the last one either. You know why? Because it's simply true. Choose positive thinking and you will enjoy positive energy and positive result.

"You are what you think," because if you think evil, you will do evil. Hence, never think negative, being positive will be the best remedy to a sad & unvisionary life.

There are many ways to be positive & think positive. Positive thinking can be developed by exposing your mind to right thing, having right entertainment, reading right books and the most important is taking control over your mind. One should stay away from negative people who always tend to quit and make other follow them.

Not having negativity around you is a very good phenomenon. Because negative people and negative things drain you of your energy and also drag you down with them. The power of positive thinking will yield good result in same way that negative thinking will yield bad result.

You cannot sow poison in and hope to reap apples. You cannot think negative thought & hope to live in a positive life. You live what you

think. That is why it is important to be positive, saying good things, making good comment and built to make affirmations.

"Rom was not built in a day" therefore thinking right is not a quick-fix process. You cannot change 20 year old habit in one week & you should never attempt to. Start slowly, achieving one goal by one. Then it will become a habit of you of thinking. It is a lifelong process; it is a way of life.

Lastly I would like to say,

Conceive negative – achieve negative

But

Conceive positive- achieve positive

### Success

Success has been man's greatest stimulus. it is very important for all. Success has great effect on life. It brings pleasure and pride but success comes to those who have a proper strategy, planning, vision, and stamina. A proper and timely application of all these things is bound to bear the fruit of success. One can reach nowhere without knowing the destination. same with success, you cannot be succeed unless you know proper goal of your life. one should have a capability, capacity and resources to turn one's dreams into reality. mere desire can not bring you success. Luck of spirit on the path of success is a big stumbling block. Time is too deciding factor. Time that is lost is the time never comes back. Only the one who punctual and committed can succeed in one's life. Failure's are key to success, so one should be hesitant in failing but instead learn from the mistake and thrive to earn success.

## अंधेरी रात पर दीवा जलाना कब मना है

है अंधेरी रात पर दीवा जलाना कब मना है? कल्पना के हाथ से कमनीय जो मंदिर बना था, भावना के हाथ से जिसमें वितानों को तना था, स्वप्न ने अपने करों से था जिसे रुचि से सँवारा, स्वर्ग के दुष्प्राप्य रंगों से, रसों से जो सना था, ढह गया वह तो जुटाकर ईंट, पत्थर कंकड़ों को एक अपनी शांति की कुटिया बनाना कब मना है? अंधेरी रात पर दीवा जलाना कब मना है? बादलों के अश्रु से धोया गया नभनील नीलमका बनाया था गया मधुपात्र मनमोहकस, मनोरम, प्रथम उशा की किरण की लालिमासी लाल मदिराथी उसी में चमचमाती नव घनों में चंचला सम, वह अगर टूटा मिलाकर हाथ की दोनों हथेरी, एक निर्मल स्रोत से तृष्णा बुझाना कब मना है? अंधेरी रात पर दीवा जलाना कब मना है? क्या घड़ी थी एक भी चिंता नहीं थी पास आई, कालिमा तो दूर, छाया भी पलक पर थी न छाई, आँख से मस्ती झपकती, बातसे मस्ती टपकती थी हँसी ऐसी जिसे सुन बादलों ने शर्म खाई, वह गई तो ले गई उल्लास के आधार माना पर अथिरता पर समय की मुसकुराना कब मना है? अंधेरी रात पर दीवा जलाना कब मना है? हाय, वे उन्माद के झोंके कि जिसमें राग जागा, वैभवों से फेर आँखें गान का वरदान माँगा, एक अंतर से ध्वनित हो दूसरे में जो निरन्तर भर दिया अंबरअवनि को मत्तता के गीत गाना, अन्त उनका हो गया तो मन बहलने के लिये ही, ले अधूरी पंक्ति कोई गुनगुनाना कब मना है? अंधेरी रात पर दीवा जलाना कब मना है/ हाय वे साथी कि चुम्बक लौह से जो पास आए पास क्या आए, हृदय के बीच ही गोया समाए, दिन कटे ऐसे कि कोई तार वाणी के मिलाकर एक मीठा और प्यारा जिन्दगी का गीत गाए वे गए तो सोचकर यह लौटने वाले नहीं वे खोज मन का मौत कोई लौ लगाना कब मना है? है अंधेरी रात पर दीवा जलाना कब मना है? क्या हवाएँ थीं कि उजड़ा प्यार का वह आशियाना, कुछ न आया काम तेरा शोर करना, गुल मचाना, नाश की उन शक्तियों के साथ चलता जोर किसका किन्तु ऐ निर्माण के प्रतिनिधि, तुझे होगा बताना, जो बसे हैं वे उजड़ते हैं प्रकृति के जड़ नियम से पर किसी उजड़े हुए को फिर बसाना कब मना है? अंधेरी रात पर दीवा जलाना कब मना है।

## सभी के जीवन में एक समय ऐसा आता

सभी के जीवन में एक समय ऐसा आता है जब सभी चीजें आपके विरोध में हो रही हों। चाहें आप एक प्रोग्रामर हैं या कुछ और, आप जीवन के उस मोड़ पर खड़े होता है जहाँ सब कुछ गलत हो रहा होता है। अब चाहे ये कोई सॉफ्टवेयर हो सकता है जिसे सभी ने रिजेक्ट कर दियो हो, या आपका कोई फैसला हो सकता है जो बहुत ही भयानक साबित हुआ हो। लेकिन सही मायने में, विफलता सफलता से ज्यादा महत्वपूर्ण होती है। हमारे इतिहास में जितने भी बिजनेसमेन, साइंटिस्ट और महापुरुष हुए हैं वो जीवन में सफल बनने से पहले लगातार कई बार फेल हुए हैं। जब हम बहुत सारे काम कर रहे हों तो ये जरूरी नहीं कि सब कुछ सही हो होगा, लेकिन अगर आप इस वजह से प्रयास करना छोड़ देंगे तो कभी सफल नहीं हो सकते। हेनरी फ़ोर्ड, जो बिलियनेर और विश्वप्रसिद्ध फ़ोर्ड मोटर कंपनी के मालिक हैं। सफल बनने से पहले फ़ोर्ड पाँच अन्य बिजनेस में फेल हुए थे। कोई और होता तो पाँच बार अलग - अलग बिजनेस में फेल होने और कर्ज में डूबने के कारण टूट जाता। लेकिन फ़ोर्ड ने ऐसा नहीं किया और आज के बिलियनेर कंपनी के मालिक हैं। अगर विफलता के बात करें तो थॉमस अलवा एडिसन का नाम सबसे पहले आता है। लाइट बल्ब बनाने से पहले उसने लगभग १००० विफल प्रयोग किये थे। अल्बर्ट आइनस्टाइन ने ४ साल की उम्र तक कुछ बोल नहीं पाता था और ७ साल की उम्र तक निरक्षर था। लोग उसका दिमगी रूप से कमजोर मानते थे लेकिन अपनी थ्योरी और सिद्धांतों के बल पर वो दुनिया का सबसे बड़ा साइंटिस्ट बना। अब ज़रा सोचो की अगर हेनरी फ़ोर्ड पाँच बिजनेस में फेल होने के बाद निराश होकर बैठ जाता, या एडिशन ९९९ असफल प्रयोग के बाद उम्मीद छोड़ देता और आइनस्टाइन भी खुद की दिमागी कमजोर मान के बैठ जाता तो क्या होता? हम बहुत सारी महान प्रतिभाओं और अविष्कारों से अंजान रह जाते। तो मित्रों, असफलता सफलता से कहीं ज्यादा महत्वपूर्ण है।

## कोशिश कर हल निकलेगा

नहीं तो कल निकलेगा। अर्जून के तीर सा सध मस्स्थल से भी जल निकलेगा। मेहनत कर, पौधों को पानी दे, बंजर जमीन से भी फल निकलेगा। ताकत जुटा, हिम्मत को आग दे, फौलाद का भी बल निकलेगा। जिन्दा रख, दिल में उम्मीदों को, गरल के संमन्दर से भी गंगाजल निकलेगा। कोशिशें जारी रख कुछ कर गुजरने की, जो है आज थमा थमा सा, चल निकलेगा।

एक बार एक लड़के ने किसी सफल आदमी से पूछा “सफलता क्या है?” उस आदमी ने लड़के को अगल दिन नदी के पास बुलाया और उसे नदी के बीच ले जाकर डुबोने लगा। लड़का पहले तो छोड़ने के लिए चिल्लाने लगा लेकिन जब उसे लगा वो छूटेगा नहीं और मन जायेगा तो उसने कोशिश करके उस आदमी को धक्का मारा और बच गया। लड़के ने पूछा कि उस आदमी ने ऐसा क्यों किया। उस आदमी ने जवाब दिया। “सफलता भी उसे तरह है जैसे तुमने अपनी जान बचाई है।” जब तक तुम सफल होने के लिए खुद कोशिश नहीं करते सफलता तुम्हें नहीं मिलेगी।”

## मैं जीवन में कुछ कर न सका

जग में अंधियारा छाया था,  
मैं ज्वाला लेकर आया था,  
मैंने जलकर दी आयु विता,  
पर जगती का तम हर न सका!  
मैं जीवन में कुछ कर न सका!

अपनी ही आग बुझा लेता,  
तो जी को धैर्य बंधा देता,  
मधु का सागर लहराता था,  
लघु प्याला भी मैं भर न सका।  
मैं जीवन में कुछ कर न सका!

बीता अवसर क्या आएगा,  
मन जीवन भर पछताएगा,  
मरना तो होगा ही मुझको,  
जब मरना था तब मर न सका!  
मैं जीवन में कुछ कर न सका!

## कन्याओं की हत्यायें महा पाप है

कन्यायें, दुर्गा है, काली हैं, लक्ष्मी हैं, सरस्वती हैं, देवताओं की देवियां हैं। मनुष्य जाति की उत्पत्ति का स्रोत हैं। इनकी हत्यायें, घोर पाप है।

मनुष्य तन ८४ लाख योनि के बाद मिला है, कन्याओं की हत्या करके पुनः नारकीय भोगों में जाना पड़ेगा, उसके बाद भी मुक्ति असंभव है, दुनिया में

सभी अपने भाग्य का खाते हैं, पीते हैं। भ्रूण हत्यायें करके क्यों पाप के भागी बनते हैं।

हे मनुष्य, तुम किसी को जीवन नहीं दे सकते हो तो फिर मोत को देने वाले आप हो कौन? इस सृष्टि के रचयिता तुम नहीं हो, हाँ तुम रक्षक जरूर हो, उस परमपिता परमात्मा के सेवक हो, जिसने हम सबको पैदा किया है, अगर तुम्हारे परिवार में कन्या है तो वह दुर्गा, काली, लक्ष्मी, सरस्वती का अवतार है तुम्हें उसकी रक्षा करना है सुसंस्कृत आचार -विचार से परिपूर्ण करना है वह ईश्वर की न्यामत है उसके सेवक बनकर ईश्वर की सेवा करना है।

अपने मनुष्य जीवन को सवारों, इसके बाद ही देवत्व प्राप्त होता है, मोक्ष की सीढ़ी मनुष्य पीढ़ी की प्रथम सीढ़ी है। आप देवता या मोक्ष प्राप्त करने की कल्पना भी किसी अन्य योनि से नहीं कर सकते फिर क्यों जानबूझ कर जीते जी मनुष्य योनि को अकारण बर्बाद कर रहे हो। कन्या को बोझ मानना तुम्हारी भूल है। हमारा देश विकासशील देश है, यहां वे सारी सुविधायें हैं जो आम लोगों को होना चाहिये। पुत्र और पुत्री

दोनों को समान अधिकार है, अब पुत्रियाँ अचल सम्पत्ति बनने वाली है। दो पुत्रियों वाले माता-पिता पेंशन के हकदार होंगे, पुत्र तो माता पिता को छोड़ भी सकते हैं पर पुत्रियाँ माता पिता के प्रति हमेशा वफादार रहती हैं पराये घर जाने के बाद भी।

सभी नौजवान दम्पति से अनुरोध है अगर आप अपना भविष्य और जीवन सुखी बनाना चाहते हो तो पुत्रियों को अपनाओं, उनका लालन पोषण करो, अच्छी शिक्षा दो, उन्हें संस्कारित करो, जीवन में उनके छेड़छाड़, बदसलूकी न हो इसके लिए उन्हें पुत्रवत सुरक्षा उपायों का ज्ञान दो ताकि वे भी रानी लक्ष्मीबाई बनकर सुरक्षित जीवन जी सके। वे तुम्हारी अचल सम्पत्ति है।

अगर दुनिया में कुछ करना है, नाम अगर करना, परिवर्तन लाना है तो इन शब्दों पर मनन करें, मंथन करें, आगे बढ़ें, और आसमान छूवें। जैसे- सादगी, सच्चाई, पारदर्शिता, विनम्रता, मितव्ययता, दृढ़ता, सोद्देश्यता, जोखिम, अभिव्यक्ति, दूरदर्शिका, व्यवहार कुशलता।

## STUDENT EDITORIAL

The countdown began when we arrived at this memorable institution some years back searching for learning, for going knowledge, for educating others and going practical experiences.

**“Education is the most powerful weapon which you can use to change the world.”**

**-Nelson Mandela**

Tiberwalite 2016-17 bring us to great changes. In education too we see fast changing exposure to a new environment & experiencing it. Individualism has stepped in. we student have our own individuality, we are real persons with feeling of self respect, sensitivity, responsibilities and compassion.

There were many extracurricular activities which were held in a year. Students participated with great enthusiasm. There were activities like sports, dramas, student council, and poem recitation, inter college competitions, essay writing, tattoo making, mehendi making, NSS camps, Rangoli making, Educational trips and other social events like Raas garba, Rudra our college festival and Annual day celebrations. The positive effects that those activities have on students are good behaviour, better grades, college completion, positive aspects to become successful adults and a social approach.

It can be truly quoted that **“Participation in school/college activities, lead to higher self esteem and enhanced status among peers, which some argue is deterrent to antisocial behaviour.”** (Brown, M.D.). Tibrewalite 2016-17 showcases these activities organised by our college which provides we students with an opportunity to create a positive and voluntary connection to the college. This magazine also mirrors the team spirit through our collective action, thoughts and aspiration.

Thus this magazine is a grinding lane for we student’s creative urges to blossom naturally. The budding minds are allowed to move freely in the exam of imagination and experience to create a literary world. I am very glad to be the part of this magazine. I extend my heartfelt gratitude to all those who have a bit of this magazine and had made this magazine come true.
