Sub: Appreciation Letter for Curriculum Revision Inputs.

Dear Madam,

Shri Bhagubhai Mafatlal Polytechnic is an autonomous grant-in-aid institute (Govt. of Maharashtra) affiliated to Directorate of Technical Education, Maharashtra State and managed by Shri Vile Parle Kelavani Mandal. This Polytechnic has been established in 1963, Mafatlal family and their industries have taken keen interest in developing the same. The Polytechnic receives Grants and Project fund from the State and Central Governments for establishing facilities and developing its infrastructures. The Polytechnic has developed excellent interaction and liaison with industries.

We revise our curriculum every 3 years to match with the changing industry trends. In the year 2019, we have revised the curriculum of computer engineering Department and Information Tech Department.

As a course expert we appreciate your valuable contribution to the revision of syllabus for the following subjects.

1. Communication Skills
2. Development of Life Skills

Thank you for your willingness to serve on the curriculum revision task.

We expect your valuable inputs in future years also

With warm Regards

Janardan S Kulkarni

HOD, Computer Engineering Department
