Dear Sir,

**Sub: Clarification about the metric id 2.4.3, 2.3.3 and 2.4.1 in criterion II**  
**2.4.2**

I would like to bring the notice of NAAC committee regarding the clarification about the total number of full time teachers in our institution in five assessment years (2015-16 to 2019-2020). It was an unintended mistakes we had calculated the Principal and Librarian as a full time teaching faculties in extended id 3.1. Hence, metric Id 2.4.3 average teaching experience, metric Id 2.4.2 average percentage of full time teachers with Ph.D, metric id 2.3.3 ratio of mentor and metric id 2.4.1 average percentage of full time teachers were affected in Criterion II.

I appeal to consider the newly added documents for the same as well as for further proceedings.

Best Regards

*Trishla*
