Respected Mam,

Greetings from Fazlani Altius Business School. The corporate MBA program from the Fazlani Group is focused on higher education with an extensive focus on Productive and Industry ready students. In its couple of years of existence, this program has garnered fair share of appreciation from many corporate partners because of its sheer innovation, relevance and utility. We have named this as Unlike other business schools,

FABS has many firsts:

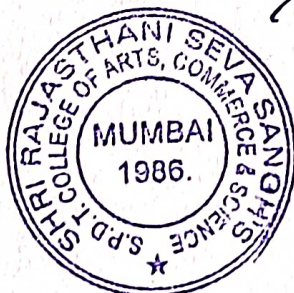

- The only institute that helps a student **get Placement before MBA program starts**. This helps students to actually know their sector, company, Job profile responsibility, short term growth and compensation before they start their academic curriculum.
- 70% of the Faculty is Corporate Practitioners.
- 9 months compulsory on job training makes the program as one of the most practical & academically aligned program.
- Our Technology platform helps connect our 2 institutes in Mumbai and Bhubaneshwar, helping our industry partners to look at diversified student portfolios.

As per our discussion, we will be conducting a Seminar for the Third Year students on 30th Nov 2015, 1st Dec 2015 & 2nd Nov 2015 between 10am to 12 pm on '**Resume Building and How to face Corporate Interview**'. All the sessions in the seminar will be conducted by Mr. Siddhartha Barua, AVP Digital Marketing FABS.
