ANNUAL DAY CELEBRATION

The Annual day of our College for the academic year 2016-17, celebrated with the theme "*Essence Of India*" along with *Prize Distribution Ceremony*.

India is a land of diversity. The **culture of India** refers collectively to the thousands of distinct and unique cultures of all religions and communities present in India. India's languages, religions, dance, music, architecture, food, and customs differs from place to place within the country. The Indian culture, often labeled as an amalgamation of several cultures, spans across the Indian subcontinent and has been influenced by a history that is several millennia old. Our students with different cultural activities represent this diversity in a unique manner.

The chief guest was our college president **Dr Vinod Tibrewala**. His presence always inspires us but on this auspicious Annual Day speech he delivered more inspirational words towards our students, teaching and non-teaching staff. Our principal encouraged the children to learn and participate in their extracurricular activities. Principal Dr. Trishla Mehta presented the annual report, Success and achievements of the college. Students were awarded certificate and trophies for their academic excellence along with a blessing of all teacher's and management.
